

March 2023

Dear Friends of Dunebrook,

April is Child Abuse Prevention (CAP) Month! This year's theme, "Building Together: Prevention in Partnership" reminds us that child abuse prevention is a community-wide effort. April calls us to inspire collective action to help our community's children be safe and thriving.

We invite you to show your support of this critical work by purchasing our promotional child abuse prevention gear. This year, we are offering

- CAP month t-shirts
- Pinwheel Garden Kits for your home or business
- Family Kits
- Building Block Sponsorships

These items are available for order at <https://igfn.us/form/kb3cGQ> or you can text "CAP2023" to 41444.

Orders must be placed by Tuesday, March 14 at 5:00 pm CST and will be available for pick-up prior to April 1. We will contact you with details about pick-up.

By wearing your CAP t-shirt and/or displaying a Pinwheel Garden, you are helping inspire others to speak up and protect children. Wear your April t-shirt all through the year!

For questions or to learn more, please contact Sarah Johnson, Director of Child Abuse Prevention Councils-LaPorte and Porter Counties, at (219) 369-0351 or sarah@dunebrook.org.

Very Truly Yours,

A handwritten signature in black ink that reads "Sarah Johnson". The signature is written in a cursive, flowing style.
